

WELCOME TO MI FRATER PACIENTE

Mi Frater Paciente is an app for mobile devices for exclusive use by employees protected by Fraternidad-Muprespa where you can consult and process health and financial matters easily and conveniently.

The start screen includes the option "Log in with fingerprint". Once fingerprint access has been activated, the user can log in without the need to enter their Tax ID number and password.

By providing this option, the Mutual seeks to be closer to its customers by streamlining your dealings with us.

PROCESS DOCUMENTATION

The app supports the following processes:

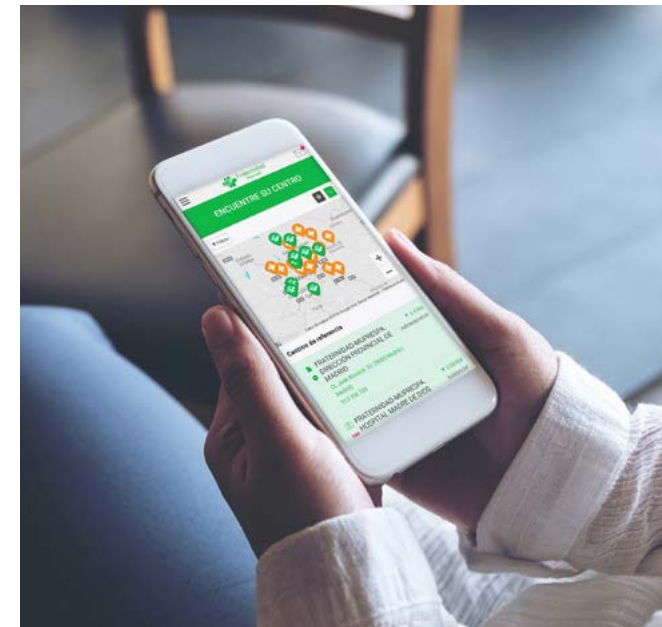

- Sending all documentation (sick leave certificates, medical reports, proof of absence, etc.).
- Seeing medical images and downloading diagnostic test reports, medical reports and other documentation.
- Filling in a health questionnaire on the app about your personal habits and physical activity, amongst others, seeking the patient's well-being and helping with their recovery.

OTHER FEATURES

Mi Frater Paciente enables you to:

- Consult all the medical services used in our network of centres.
- Remember your next medical appointments.
- Find the nearest Fraternidad-Muprespa centre to you.

- Getting to know all the information about the temporary incapacity financial benefit, at-risk pregnancy and lactation benefit, self-employed workers ceasing their activity, and the care of minors affected by cancer or other serious illnesses.
- Download the certificate of withholdings and payments on account for IRPF (personal income tax) for the financial benefits received.

Mi Frater
Paciente
